

ELD, Aluminum, Aluminum Electrolytic, 82 uF, 20%, 350 VDC, -25/+105°C, 10 mm

| General Information |                                |
|---------------------|--------------------------------|
| Series              | ELD                            |
| Dielectric          | Aluminum Electrolytic          |
| Description         | Snap-In, Aluminum Electrolytic |
| RoHS                | Yes                            |
| Lead                | 2 Pin                          |
| AEC-Q200            | No                             |

| Dimensions               |                |
|--------------------------|----------------|
| D                        | 22mm +1.0mm    |
| L                        | 25mm +2.0mm    |
| S                        | 10mm +/-0.5mm  |
| LL                       | 5.8mm +/-1mm   |
| F                        | 1.5mm +/-0.1mm |
|                          |                |
| Packaging Specifications |                |

| Packaging Specifications |           |
|--------------------------|-----------|
| Packaging                | Bulk, Bag |
| Packaging Quantity       | 400       |

| Specifications     |                          |
|--------------------|--------------------------|
| Capacitance        | 82 uF                    |
| Tolerance          | 20%                      |
| Voltage DC         | 350 VDC, 400 VDC (Surge) |
| Temperature Range  | -25/+105°C               |
| Rated Temperature  | 105°C                    |
| Life               | 3000 Hrs                 |
| Dissipation Factor | 15% 120Hz 20C            |
| ESR                | 2.426 Ohms (120Hz 20C)   |
| Ripple Current     | 0.6 Amps (120Hz 105C)    |
| Leakage Current    | 0.574 mA (5min 20°C)     |

Statements of suitability for certain applications are based on our knowledge of typical operating conditions for such applications, but are not intended to constitute - and we specifically disclaim - any warranty concerning suitability for a specific customer application or use. This Information is intended for use only by customers who have the requisite experience and capability to determine the correct products for their application. Any technical advice inferred from this Information or otherwise provided by us with reference to the use of our products is given gratis, and we assume no obligation or liability for the advice given or results obtained.
